Children's Hospital of the King's Daughters Will Remain in the Anthem Network

Good news! Anthem Blue Cross and Blue Shield has reached an agreement with Children's Hospital of the King's Daughters, and affiliated medical groups, for a three year contract beginning on June 1, 2011. These groups, including Children's Medical Group (CMG) and Children's Surgical Specialty Group (CSSG), will remain in the Anthem network.

Please let your agency employees know of the agreement, as some may have made Open Enrollment elections based on the prospect that the hospital and medical groups would be out of the Anthem network effective May 31, 2011. A press release from Anthem is attached.
