Health Plan Incentives and Weight Watchers Reimbursements

As we indicated in a previous issue, the Office of Health Benefits will post a list of employees who received Weight Watchers reimbursements or COVA Connect plan incentives in agency FTP folders by the 4th day of each month for use by payroll officers and the Department of Accounts. The next list will be available on March 4. The name of the file is BES-Taxable-Incentives. Use this list to have applicable federal, state, local and FICA taxes deducted from employee paychecks. Non-Medicare eligible retirees who received COVA Connect incentives will be handled separately. If you have questions, please send an e-mail to OHB@dhrm.virginia.gov.
