Anthem's Commonwealth-Specific Website Enhanced for Easier Navigation

A whole new look is coming on December 13 to Anthem's website dedicated to Commonwealth of Virginia employees, retirees and family members in COVA Care, COVA HDHP, Flexible Spending Accounts, and Medicare coordinating plans. Tabs on the home page of www.anthem.com/cova will make it easier for members to locate health plan benefits, health and wellness information and the most commonly used resources and tools. The site features easy-to-find important phone numbers, forms, and links to www.anthem.com for personal information like claims and a temporary ID card. You'll also find quick links to the Employee Assistance Program, Active Health, CommonHealth, and much more.
