Notification of Changes to Your Medicare-Coordinating Plans Member Handbook's
Dental/Vision Benefits Insert
Effective January 1, 2014

*Commonwealth of Virginia Retiree Health Benefits Program
Department of Human Resource Management*

On the above effective date, the following change becomes part of your Medicare-Coordinating Plans Member Handbook's Dental/Vision Benefits Insert. Keep this notification with your Member Handbook and applicable inserts. This notification replaces the previous Dental/Vision Insert notification that was effective January 1, 2013, regarding eligibility for vision benefits. You may also access this information from the following Web site:

Department of Human Resource Management at www.dhrm.virginia.gov

For the Vision benefit, the following pages are updated to include a change in eligibility from once every 12 months to once per plan year (January 1—December 31). This includes the routine vision examination, eyeglass frames and lenses.
