The PPEA process requires offerors to provide Proposal Review Fees to offset the Commonwealth's review costs. The initial amount provided by Cigna HealthCare of \$5,000 has been expended on actuarial reviews. To remain in this process, we are requesting an additional \$45,000 for proposal reviews. This payment should be made payable to the "Commonwealth of Virginia" and sent to my attention at the following address:

Department of Human Resource Management
101 North 14th Street.
